Mr. Latimer's career has spanned nearly twenty years. He joined our team in 2000. His project experience includes fire stations, banks, restaurants, institutional facilities, offices, schools and commercial buildings. Latimer prepares contractor drawings for submittal and field installation. He has assembled kitchen equipment cut sheets for submittal to architects and consultants. He has prepared operations and maintenance manuals for kitchen equipment and equipment setup training for kitchen staff. He works with product representatives to provide bids for clients. Specific areas of expertise include M/E/P design, AutoCAD, Revit and extensive computer knowledge.
